

Project Design Phase-II

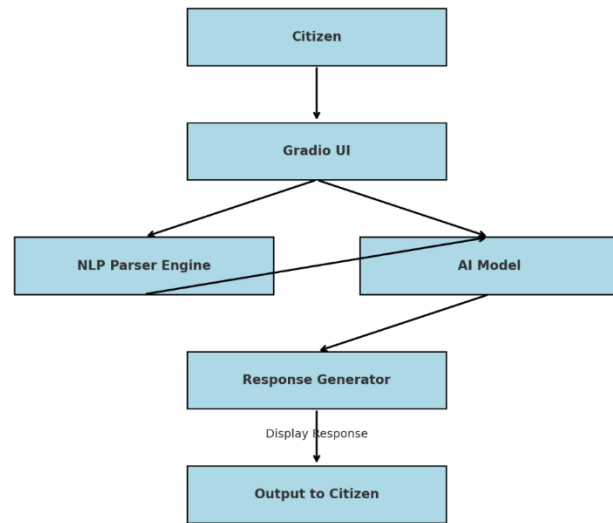

3.3Data Flow Diagram & User Stories

Date	31 January 2025
Team ID	LTVIP2025TMID32100
Project Name	Citizen AI
Maximum Marks	4 Marks

Data Flow Diagrams:

A Data Flow Diagram (DFD) is a traditional visual representation of the information flows within a system. A neat and clear DFD can depict the right amount of the system requirement graphically. It shows how data enters and leaves the system, what changes the information, and where data is stored.
